

SENIORS

The Seniors welcomes young teenagers as they approach adulthood and encourages them to develop further the skills, knowledge and attitudes that will allow them to become confident, responsible young adults and members of the Church and Society.

Where possible, opportunity is given to build up leadership skills, help with other age groups and participate in activities which take them beyond their local group to national and international levels.

Resources

There are four Award Schemes on offer for this age range:

- **Team Challenge**
- **Achievement Awards**
- **Archbishop's Award**
This is the highest award within the Brigade.
- **The Duke of Edinburgh's Award**

The CLCGB are licenced to operate the Duke of Edinburgh's Award and we have qualified instructors to help the young people achieve all sections of the award.

Our Duke of Edinburgh Training Officer is available to visit your unit and assist with promoting the scheme.

Together in Mission Since 1893

The Church Lads' and Church Girls' Brigade (CLCGB) is the Church of Ireland's own uniform organisation for boys and girls aged 4+.

OUR MISSION STATEMENT

"To extend Christ's Kingdom amongst the boys and girls through fun, faith and fellowship"

The CLCGB provides engaging and interactive programmes geared to the various age sections.

Our organisation seeks to create safe, local opportunities for children and young people to engage in enjoyable, meaningful and worthwhile activities within a Christian context.

The CLCGB offers a parish support and help through our Development team lead by our development officer Victoria Jackson.

If you would like to offer this transformative opportunity to the children of your parish, please contact Victoria on either of the following:

martins

THE MARTINS

This section is for children 4-7yrs and is named after the Brigade's Patron Saint - St Martin of Tours.

A specially designed package of resources has been developed to cater for the needs of this age group. There are badges and certificates which the children can achieve through a weekly programme.

The Martin's badgework follows three themes: Me and God, Me and God's World and Me and Others.

Leaders' guidelines offer further help and advice in every aspect of working with this age group.

Fun, Faith,
Fellowship...

THE Y TEAM

Children aged 7-10yrs enjoy collecting things. There is a wide range of badges in the Y Team which are awarded for achievements within the brigade and for hobbies and sports and other activities outside the Brigade.

The Y Team programme has four themes:

- **Discovering** the Christian Faith, where children discover more about God and His love for them.
- **Exploring** God's world and looking after it
- **Helping** and understanding others
- **Doing** things together for fun and enjoyment.

THE JTC

This section is for 10-13 year olds and explore a whole new world of opportunity as they sit on the verge of adolescence.

Resources

A balanced and flexible programme covers four areas:

- **Believing** explores the Christian faith with stories, puzzles, games and talking points to help them to relate to everyday life.
- **Belonging** considers their place within the Church, caring for the environment and finding out about the lives and needs of others.
- **Building** aims to develop skills, crafts and creativity in many fields.
- **Being** helps them grow into a healthy and fulfilled adolescence.
